A NTHRACITE COAL FOR THE NAVY. BUREAU OF EQUIPMENT AND RECRUITING, May 24, 1864.

May 24, 1864.

Sealed Proposals for furnishing Anthracite Coal for the Navy, to be delivered during the fiscal year ending 30th June, 1865, will be received at this Bureau until 10 a.m., 18th June, 1864.

These proposals must be endorsed, "Proposals for Anthracite Coal for Steamers," that they may be distinguished from other business letters.

The offer must be for the delivery of 100,000 tons, of 2.20 pagings. The coal must be of the best Buck Mountain or Black Heath, or of a kind equal to them in all respects, for the purpose intended, which equality will be determined by a Board appointed by the Secretary of the Navy after the reception of the The name of the coal proposed to be furnished must be stated in the offer.

It is to be delivered in lumps of suitable size for naval steamers—clean, of uniform quality, selected free from impurities, unmixed—of which the contractor will be required to furnish such evidence as will be satisfactory, and be subject to such inspection as to quality and quantity as the Department may direct. The coal must in all respects be satisfactory to the inspector or inspectors, to be appointed by the Bureau, who will have the right of peremptory rejection. the right of peremptory rejection.

The coal is to be delivered on board vessels, at such place in the port of Philadelphia as may be designated by the Bureau, and in such quantities and at such times as, in the opinion of the Bureau,

the exigencies of the service may require; com-mencing when the vessel is reported ready to re-ceive cargo; furnishing, if demanded, not less than 1,000 tons per day, to be distributed to each vessel, as may be directed, until the loading is Proposals will likewise be received for the delivery of \$0.000 tons of the same quality of coal, to be delivered in the port of New York, on board vessels, as at Philadelphia.

In the case of failure to deliver the coal in proper quantity, of the proper quality, and at the proper time and place, the Bureau will reserve in the contract the right to purchase forthwith, at the contractor's risk and expense, that which may seem necessary to supply the deficiency.

Any demurrage, or other charges to which the Navy Department may be subjected from delay in the prompt delivery of the coal by the contractors, will be deducted from their bills.

The price must be for the coal delivered on board vessels, on the terms and conditions above stated, at the contractor's risk and expense, and without extra charge of any kind.

The offer, as required by law, must be accompanied by a written guaranty, signed by one or more responsible persons, to the effect that they undertake that the bidder or bidders will, if his or their bid be accepted, enter into obligation, at such time as may be prescribed by the Bureau, with good and sufficient sureties, to furnish the supplies proposed.
